

ACE™ Training Online Course Overview

ACE™ Accent Modification in a Convenient On-line Training Format.

The purpose of **ACE™ Training Online** is not to eliminate an accent, it's to become a clear and confident English speaker. This e-Course will assist you to speak clearly by correctly pronouncing English speech sounds and stress patterns. Receive a total of 14 comprehensive pronunciation modules- one per week for 14 weeks. Each module contains high impact pronunciation goals and more content than you can master in one week. Work on the content at your convenience. Avoid rushing through the material. It's likely that you'll need to review the content in each module several times to establish new motor (muscle memory) patterns. As an added bonus, you have lifetime access to all of the modules, once you complete your 14-week membership. You will also receive a certificate of course completion.

Empower your English pronunciation today! Work on the weekly ACE™ Pronunciation Modules at your own pace and on the go- including on your smartphone. The end result will be that you are more clearly understood and confident speaking English.

Please see acetraining.online for specific module content.
